1.5.1 Definitions and Scope of Penalty Points

Penalty points are given for rule violations within the League, they may be either minor or major penalty points dependent on the incident in question.

1.5.1.1 Minor Penalty Points

Minor penalty points are given for minor incidents such as not uploading required match media, insufficient match statements, insufficient information on a Team account or other related material, and so on. Every minor penalty point deducts 1% (one percent) of the overall prize money received by the Team or Player in the season they are given.

1.5.1.2 Major Penalty Points

Major penalty points are given for major incidents such as deliberately deceiving admins, failing to show up for matches, repeated rule breaking, and so on. Every major penalty point deducts 10% (ten percent) of the overall prize money for that season.

Minor and major penalty points are not mutually exclusive and may be given as seen fit by the League administration.

1.5.1.4 League Bans and Penalties

The following sub-paragraphs are meant to give you an impression about what things are forbidden. For complete and more detailed information, please visit the ESIC website.

2.4.1 Code of Conduct

All Teams and Players agree to behave in an appropriate and respectful manner towards other Teams and Players, spectators, the press, the broadcast team, League officials, and League administration. Being a role model is an occupational hazard of being a Player or organizer and we should behave accordingly. Any sort of harassment should be reported to the above listed League administrators immediately. Harassment includes but is not limited to offensive statements or actions related to gender, gender identity and expression, age, sexual orientation, disability, physical appearance, body size, race, religion.

Also considered harassment are things like sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact and unwelcome sexual attention.

Similar restrictions apply not only to the Teams and Players, but every single person involved with or present at a stage of the League. Anyone breaking this code of conduct may be punished, including expulsion and possibly criminal prosecution.

2.4.2 Prohibited Substances and Methods

2.4.2.1 Doping

2.4.2.1.1 Refusing to be tested

Refusing to be tested is considered doping. Punishments will be the same as for severe cases of substance abuse.

2.4.2.1.2 List of Prohibited Substances and Methods

The List of Prohibited Substances and Methods created by the World Anti-Doping Agency (WADA) is valid for the League. The list can be found here: <http://esl.pm/prohibitedlist>

2.4.2.1.3 Prescribed medication

If Players have an active prescription for a substance on the WADA list, they must send proof to the League administration before the first day of the League (21st February 23:59 GMT). They may still be subject to a doping test, but a positive result for the prescribed substance will be disregarded.

2.4.2.1.4 Categories of Doping

Mild cases of doping will be punished with a warning and possibly minor penalty points for the participant.

Severe cases (i.e. use of drugs containing performance enhancing substances, like Adderall) will be punished with penalty points, a ban for the Player and (a) default loss(es), as well as possibly disqualification of the Team.

Repeated cases of doping by the same Player will be punished harder, up to a lifetime ban for the Player.

Repeated cases of doping on the same Team (but by a different Player) will also be punished harder for the Team.

Repeated cases of doping by the same Player on the same Team will be punished harder for both the Team and the Player.

If a player is found guilty of a severe case of doping only after the last match of the tournament has already been over for at least 24 hours, the player will still get a ban, but the tournament results will remain in place and there are no consequences for the team. Mild cases will not be punished at all, after that time.

2.4.2.2 Alcohol or other psychoactive drugs

To play a match, be it online or offline, under the influence of alcohol or other psychoactive drugs, even if not among the punishable substances, is strictly prohibited, and may lead to

severe punishment. Moderate consumption of alcohol outside the active tournament hours for a participant is permitted if not in conflict with local/national law.

2.5 Publisher or ESIC Bans

The League administration reserves the right to refuse players who have standing bans from the game publisher to take part in the League. Also, ESIC bans will be honoured and translated into ESL bans.

2.6 Additional Agreements

The League administration is not responsible for any additional agreements, nor do they agree to enforce any such agreements made between individual Players or Teams. The League administration highly discourages such agreements taking place, and such agreements that are contradicting the League Rulebook are under no circumstances allowed.

2.7 Match Broadcasting

2.7.1 Rights

All broadcasting rights of the League are owned by ESL SEA. This includes but is not limited to: Video streams, TV broadcasts, shoutcast streams, replays, demos or live score bots.

2.7.1.1 Waiving These Rights

ESL SEA has the right to grant a licence for the broadcast of one or multiple matches to a third party or the Teams themselves. In such cases the broadcasts must have been arranged with the league administration 24 hours before the start of the match.

2.7.2 Teams Responsibility

Teams cannot refuse to have their matches broadcast by ESL-authorized broadcasts, nor can they choose in what manner the match will be broadcast. The broadcast can only be rejected by the league administration. The Teams agree to make sufficient accommodation so that broadcasting of matches can take place.

2.8 Communication

2.8.1 Email, WhatsApp and Discord

The main official communication method of the League is Email, WhatsApp and Discord. Once a team has successfully qualified for the league the team leader will need to provide their Email address, Whatsapp number and Discord ID to the admin. Most communication will be done on Whatsapp as the primary communication platform while Discord will be secondary, email will be used to provide tournament information. Team leaders/representatives are responsible to let their team know if there are any important announcements or updates regarding the league.

2.9 Conditions of Participation in the League

The following conditions must be met to participate in the League.

2.9.1 Age Restriction

All Players participating in the League must be at least 16 years of age. If the player is under 16 years old, and is considered a minor at the time and date of his/her participation in the League, he/she must have his/her parent or legal guardian consent and agree to the additional rulebook on his/her behalf. Consent letter can be emailed to League Administration via 1.4 League Officials.

2.9.2 Number of Players in a Team

The Team roster can hold a maximum of five (5) Starters and one (1) Substitute.

2.9.3 Home Country/Region

A Player's home country is the nation in which they reside for the majority of the period in which the League is contested. Throughout this League, a team must field at least four out of six players whose home country is Malaysia. A team can field a maximum of two out of six foreign players. However this is not compulsory and purely optional. A team can field 6 players whose home country is Malaysia if they wish not to add any foreigners into the roster.

2.9.3 Number of Players in a Team

The Team roster can hold a maximum of five (5) Starters and one (1) Substitute.

2.9.4 Nicknames

No sponsor tags are allowed in the nickname on the ESL website under any circumstances and the general ESL rules for the choice of nicknames apply.

2.9.5 Game Accounts

Every Player must have their game account entered on their ESL member profile. This is including but not limited to: Call of Duty: Mobile.

2.9.6 Team Names

The League Team name may not have any extensions such as "CS team". The League Team name may also not include any sponsor names of any kind. Any Team name found to be untoward will be changed, if not via request it will be done for you, without warning.

2.9.7 Changes on the Team Accounts

Any changes in the Team account should be approved by the League Administration before the changes can take place. This includes but is not limited to:

- Adding or removing Players

- Changing the Team name
- Changing the Team logo

2.10 Licences in the League

2.10.1 Definition

Before each season, ESL awards the League Licence to the participating teams, or individuals. In this tournament, these are participants that:

- Top 3 teams of ESL MY Championship 2020 - Call of Duty: Mobile Season 1 Qualifiers

2.10.2 Duration

A League Licence is valid for one season only, anyone who was entitled to a licence in season one is not automatically granted a licence in season two. Each licence will be known to the team from the administration team prior to the start of the new season.

2.10.3 Team Licence

The license in team competitions will be awarded to a legal entity (registered association/organization, Ltd company, and so on). Any legal entity is only allowed to hold one license in the same competition. No other legal entity controlled by the same person/people is allowed to hold another license. If there is no such entity existent for the team in question or the existing entity has never been reported to and accepted by the ESL MY Championship administration, a restricted license may be awarded to the actual team, where the team leader or organizer will be designated contact person for this team. This person will be responsible for keeping the team in order, and holding the ESL MY Championship team account on ESL, but in a such case the right to the license can only be sustained if the majority of the players that actively played in the last stage(s) of the ESL MY Championship or its qualifiers stay together as a team. The license holder or representative is responsible for all actions and commitments of the team. Any changes in the team license must be reported to and accepted by the ESL MY Championship administration before it can be followed through. Failure to report any changes in the license, or omitting any needed information about the team may be punished with penalty points or other sanctions. The License Holder is the entity that decides the recipient of the prize money won under its license.

2.10.4 Withdrawal of Licence

ESL reserves the right to withdraw a league licence from any Team, if the League Administration feels that the participant in question have not behaved within the guidelines set out by the league and its governing organization. This includes but is not limited to:

- Players or team members have committed a material breach of the provisions outlined in this Rulebook
- A majority of the licence holding players leave the roster

2.10.5 Multiple Team Ownership

The License rules of ESL National Championship are clear on the fact that each organisation and its legal entity can only acquire one license per tournament which involves it's qualifiers.

Therefore it is not allowed that an organisation's academy team will participate in an ESL tournament or qualifier if...

- a) Another team of the organization has been invited to the main event.
- b) Another team of the organization has been invited to the closed qualifier.
- c) Another team of the organization has signed up for the same qualifier.

A special exception to this can only be made if the organization in question provides a written confirmation that at least four weeks ahead of the part of the competition including the main team, the academy team will either be sold or their contracts will be terminated in order for them to participate with a new organization and under a new name.

The restriction for the academy team falls away if the invitation for the main team gets declined or is otherwise voided.

2.10.6 Review of License

If a license holder loses over 67% of their starting lineup, ESL can review the license and possibly withdraw it, if the license-holder cannot convince ESL about his ability to continue in ESL MY Championship on a similar level of play.

2.10.7 Changing the Team License Holder

A license-holder can request a transfer of the ESL MY Championship license to another entity during a season, if there is an adequate reason for doing so. It is at the ESL MY Championship administrators' discretion whether or not the reason is deemed adequate. After the change of the license holder, the majority lineup restriction will apply for the team in question for a time span indicated by the league direction (no shorter than one ESL MY Championship event and no longer than ½ season) from the moment a new legal entity takes over the license from the old one. This restriction is meant as a protection of the players joining a new clan and to prevent clans getting a license for their own, not qualified team.

2.11 Player changes and Team line-ups

It is required for teams to email the administration team their starting rosters 24 hours prior to the start of their match. If any changes happen after this time then they should be communicated as soon as possible, failure to do so could lead to penalties.

2.11.1 Roster Lock

24 hours prior to the first match day of the season, the team sheets for each team will lock. Now, the roster must be complete with (5) five starters (at least (3) three of whom must have played for the team that secured qualification) and up to (1) one substitute. The sub must not be registered to any other team in The ESL MY Championship as a player.

2.11.2 Match Lineup

The lineup for each match must always fulfill the criteria of the 2.9.3 Number of Players in a Team. Lineup changes can be made at any point of the match if there is a proper reason (i.e. connection problems). The delay caused must not exceed 5 minutes and excessive changes/abuse of this rule are forbidden. Exceeding 5 minutes might result in penalty or disqualification based on the final decision of League Administration.

2.12 Multiple Contracts

All Players in the League are strictly forbidden from having contract or agreement with two (2) or more League Teams, may it be written or oral. If such a contract or agreement is found to be in existence, ESL reserves the right to ban the player from playing any more matches until the situation has been resolved. If the situation cannot be resolved, the ESL has the right to remove the Player or Team(s) in question.

2.13 Prize Money

All prize money will be paid out, at least 90 days after the League finals have been completed. If a Team or Player is missing the proper payment information and makes no effort to fix this, the prize money will not be paid out until this is rectified.

2.13.1 Prize Money Distribution

2.13.1.1 Call of Duty: Mobile

Champion	Runner-Up	Third Place	Fourth Place
RM 20,000	RM 10,000	RM 6,000	RM 4,000

2.13.2 Prize Deductions Due to Penalty Points

Every penalty point that a Team or Player acquires during the season is penalized with a prize money deduction. The deductions are as follows:

- For every minor penalty point a 1% overall prize money deduction will occur.
- For every major penalty point a 10% overall prize money deduction will occur.

The deduction is calculated out of the grand total of prize money awarded to the Team or the Player at the end of the season.

2.13.3 Prize Deductions Due to Forfeits

For each default loss a Team is awarded during the regular season, 5 minor penalty points will be assigned.

2.13.4 Withdrawal of Prize Money

If the prize money for the League has not been paid out, the League Administration reserves the right to cancel any pending payment if any infringement of the provisions set out in this Rulebook has been discovered.

2.13.5 Transfer of Prize Money

The prize money will be sent as a bank transfer. Failure to provide sufficient information for the payments to be complete will result in payments not being made. If a Team has not collected their winnings within one year of the initial payment date the prizes are forfeited.

2.13.6 Eligible of Prize Money

Only Teams that complete 85% of matches are eligible to receive prize money at the end of a season.

2.14 Replacements

If a Team is for any reason unable to compete further in the League, and is removed before the replacement deadline, a replacement will be called up. Replacement Teams will be considered and invited at the discretion of the League Administration.

2.14.1 Replacement Deadline

Replacements will only be invited if the withdrawal of a team occurs prior to the third matchday of the League during the Second Stage.

2.15 Penalties and consequences for leaving the League

2.15.1 Leaving during any stage

If a Team leaves or gets disqualified from the League during an ongoing stage, the Team forfeits all prize money accumulated for the whole season.

2.15.2 Deletion of Matches

All matches involving Teams that have left a season of the League before it ended will be deleted. In playoff brackets, the most recent or the next upcoming match (depending on the situation) of the Team will be considered a default win for his opponent.

2.15.3 Ban for Players

If a Team gets disqualified from the League during an ongoing season, all its Players get banned until the end of the season.

2.16 Match Start

2.16.1 Punctuality

All matches in the League should start as stated on the website, no changes to the time can be requested. All Teams and Players in a match should be on the server or in the game lobby and ready to go at the latest 10 minutes before the match is to start. Each team should be ready to start the game 30 minutes prior to their official start time. If any team is not ready at this time then they are subject to penalties being applied.

2.16.2 Delaying the Match

Match starts are absolute unless changes have been confirmed by the League Administration. Not starting a match as scheduled will result in three (3) minor penalties. For every five (5) minutes the match start is being delayed further the Team will receive additional three (3) minor penalty points. After 15 minutes, the team is considered a no show.

2.16.3 No show

If a Team is not ready to play 15 minutes after the official match starting time, the Team will be considered as no show and will receive a default loss. For each default loss, a Team will be assigned 5 minor penalty points.

2.16.3.1 Disqualification due to no shows

If a Team receives three forfeit losses during one season due to no shows, the Team will be disqualified from the League with all its consequences.

2.17 Match Procedures

2.17.1 Storage and keeping of Match Media

All match media (screenshots / demos / replays / etc.) must be stored by the Team for a minimum of two (2) weeks after the match has ended. If there is a protest on the match, the records need to be stored by the Team for a minimum of two (2) weeks after the protest has been closed and resolved.

2.17.2 Rescheduling of Matches

A request for rescheduling must come in at least one (1) week prior to the match in questions via email to League Administration. The email should include the reason why rescheduling is requested. It is then up to the League Administration to grant the request or deny it.

2.18 Match Protests

A protest is for problems that affect the match outcome; a protest may even be filed during a match for things like incorrect server settings and other related issues. A protest is the official communication between the Teams and the League Administration.

2.18.1 Definition
